Overview of the data structure

Number	Content
	General part
	Identification Survey weights, contactability: participation status, survey mode, contact details, incentive Initial filter: educational/vocational intent according to information from wave 3 Episodes: number of episodes and episode-specific education/activity, educational/vocational situation after 9th grade (wave 4)
2-11	Education / training / activity following the 9th grade (summer 2013)
2	Filter C: Company-based/school-based vocational education and training (VET)
4	Filter E: Education in a (middle) school
5	Filter F: Interim solution / bridge-year courses / 10th school year / internship
6	Filter fut: Educational/vocational plans, in case interim solution is not completed yet
7	Filter A: Paid work
8-9	Filtering for further episodes
10	Filter Z: Other, without education/training, etc.

2 Filter C: Company-based/school-based vocational education and training (VET) 2.1 Training occupation known from wave 3: title of training occupation, realization of educational/vocational intention

- 2.2 Training occupation not specific in wave 3: start VET after 9th grade, title of training occupation
- 2.3 Stability / state of education/training
- 2.4 Company-based/school-based VET, size of training company
- 2.5 Location / training company, duration and type of VET (Federal VET Certificate (EBA), Federal VET Diploma (EFZ), Vocational Baccalaureate)
- 2.6 Certainty regarding completion of education/training 2.7 Satisfaction
- 2.8 Year of apprenticeship
- 2.9 Income

4 Filter E: Education in a (middle) school

- School known from wave 3: type of school education, realization of educational/vocational intention
 Type of school unknown in wave 3: Start school education after 9th grade, type of school education
- 4.3 Stability / state of education/training
- 4.4 Location / name of school
- 4.5 Certainty regarding completion of education/training
- 4.6 Satisfaction

5 Filter F: Interim solution / bridge-year courses / 10th school year / internship

- 5.1 Realization of educational/vocational intention after 9th grade
- 5.2 Type of interim solution/bridge-year courses
- 5.3 Completion of interim solution/bridge-year courses

6 Filter fut: Educational/vocational plans, in case interim solution is not completed yet 6.1 Educational/vocational plans after completion of interim solution

- 6.2 Questions about future VET
- 6.3 Questions about future school education
- 6.4 Questions about future interim solution/bridge-year courses
- 6.5 Questions about future paid work

7 Filter A: Bezahlte Arbeit

- 7.1 Realization of educational/vocational intention after 9th grade
- 7.2 Job title
- 7.3 Stability / state of education/training
- 7.4 Job with / without training
- 7.5 Size, location and name of employer
- 7.6 Satisfaction
- 7.7 Future educational/vocational intentions
- 7.8 Working hours, income
- 8 Educational/vocational situation after 9th grade, in case filtering is not possible based on information from wave 3 or in case educational/vocational intention has not been realized
- Specific educational/vocational activity following 9th grade

9 Educational/vocational situation in case of several episodes

Education/training in case of completion/termination of previous vocational/educational activities

- 10
 Filter Z: Other, without education/training, etc.

 10.1
 Specific educational/vocational activity
- 10.2 Start of activity
- 10.3 Completion of activity
- 10.4 End of activity
- Note: Variables belonging to filter C, E, F, A and Z are coded as episodes. The last digit of these variables indicates where the described activity is located within the episode structure of wave 4.

1	Identification	
Var	t4contp	Probability of contactability wave 4
Var	t4p	Probability of participation wave 4
Var	t4weight	Survey weight wave 4
Var	t4weight_k	Survey weight wave 4 (calibrated)
